End-of-Sale Announcement

Due to component availability, the LDO50 Garage Door Operator has been discontinued and will be no longer manufactured. Orders will be fulfilled first come first served with available inventory.

In place of LDO50's you should consider our LDCO801 Garage Door Operator. The LDCO801 is our tried and true, workhorse DC operator. With superior quietness, the LDCO801 offers smooth soft start/soft stop operation, auto learning and adjusting force sensitivity, and available optional battery backup. (BBU sold separately). In addition, you may check out our feature packed LDCO841 and LDCO863B Wi-Fi operators.

Please contact your Nice / Linear Regional Sales Manager if you have any questions.
