

## CONNECTIVITY AND VIDEO INTERCOM TRAINING

Tuesday, May 21st • Lunch Provided In Between Trainings

At the CPSG Nashville Branch

Andrew Pipkin, CPSG Access Controls Specialist, will conduct training on the various methods and options for getting internet to access control locations.

Additionally, the benefits and feature sets of Smart Video Intercoms from industry leading manufacturers will be explained, including live demos.

This training is ideal for Sales Reps and Technicians.

Choose either: 9am - 11am or 12pm - 2pm
