

Why Controlled Products?

ONE resource

The Support You Need Now

- One goal - to “serve you” and help delight your customer.
- 34 CPSG stocking locations, working together to provide even the hardest to find parts, quickly and seamlessly.
- One company to be your resource and your advocate, here to help you win.

ONE inventory

What You Want, When You Need It

- Reduce your on-hand inventory, which increases capital to invest in your company’s growth.
- Our inventory exists to serve you. If you use it, we will stock it.
- Our large stock of parts, accessories, and finished goods allows you to get the job done immediately.
- Our website is a user friendly tool offering pricing, sell sheets, installation manuals, and ordering.

ONE finance

Cash Flow Management

- We offer terms of credit to meet your daily, monthly, and yearly needs.
- Through “CPSG-Connect,” you have access to extended credit terms to meet your project needs.
- We offer “Job Account” financing that allows you to secure funds for large jobs, without impacting your normal account.

ONE support

We Have Your Back

- Speedy, efficient warranty processing via our RMA system.
- Three levels of in-house tech support:
 - Branch
 - Company
 - Manufacturer Backed Support
- We help you with job site walks and assessments, providing product recommendations.
- Our nationwide team provides both pre- and post-sales support and are available 11 hours a day.

ONE training

Learn and Earn

- Regular CPSG training sessions via the web.
- Manufacturer training seminars at your local branch.
- Customized, individual training for your employees.
- State-of-the-art training center, CPSG-U, at corporate headquarters in Denver.
