myQ®

business™

**Monitor** Track if any doors or gates were left open with real-time alerts.  
**Control** Open and close doors and gates with a tap.  
**Grant Access** Let in an employee or vendor while you're offline.

Manage the ins and outs of your community or facility with myQ Business cloud-based access control.

Presented by Brandon Baum from LiftMaster.

This training will cover CAPXL installation, setup and programming along with myQ business training. And learn about myQ and Amazon Key.

**RSVP**  
by phone  
or email
