CONTROLLED PRODUCTS SYSTEMS GROUP

The Destination Company for Safe Perimeter Access Solutions

Training Class

Wednesday, March 13th • 10am - 2pm *Lunch Provided*

At the CPSG Atlanta Branch

a company of TheNiceGroup

See the NEW SlideSmart HD

Attractively priced, this HySecurity heavy-duty operator, with battery-backup, reliably cycles heavy commercial and industrial gates up to 3,000lbs.

Easily retrofit similar profile operators out-of-the-box, or with accessory hardware.

- **START Software Review & Troubleshooting**
- **UL325 Monitored Safety Device Installation**

- Range up to one mile through obstructions
- Battery backup
- Wireless relay
- Simple wiring

Connect Your Favorite Controller

Add wireless capabilities to any Wiegand Access Controller or a relay!

Connect Your Favorite Device

Presented by David Whortan from HySecurity/Nice and Brett Bryson from Sure-Fi. Don't miss this opportunity to be trained on the brand new SlideSmart HD and learn about the latest UL325 requirements.
