# GATE OPERATOR TRAINING

Thursday, May 9th • At CPSG Charlotte

10am - 12pm - SlideSmart HD Operator (Installation Training & Selling)

*Break - Lunch Provided*

12:30pm - 2pm - Product Line Overview

a company of TheNiceGroup

**SlideSmart™ HD**

Attractively priced, the SlideSmart HD heavy-duty operator, with battery-backup, reliably cycles heavy commercial and industrial gates up to 3,000lbs.

Easily retrofit similar profile operators out-of-the-box, or with accessory hardware.

The CPSG Charlotte will host David Whortan from HySecurity. This training will cover the installation and setup of the SlideSmart Heavy Duty Operator, and a product line overview.

RSVP to 704-392-2859
