## SlideSmart™ HD

- **See the NEW SlideSmart HD**

Attractively priced, this HySecurity heavy-duty operator, with battery-backup, reliably cycles heavy commercial and industrial gates up to 3,000lbs.

Easily retrofit similar profile operators out-of-the-box, or with accessory hardware.

- **START Software Review & Troubleshooting**
- **UL325 Monitored Safety Device Installation**

Presented by Rob Kerben from HySecurity/Nice.

Don't miss this opportunity to see the brand new SlideSmart HD and learn about the latest UL325 requirements.
